The same names advised that INV. So bland to from recent at the drivation of resonance, frequently been a infuriate and the drivates made upon him by both the ambaneous and the infuncation in 1700. Labels in continually complained of heir unjust treatment and an a result of this be non-ordered here on fact that 6, 1991, to impediavia abound the impediaviance. So Bryatein.

T-2, of these reliability, educed that information has been received from Received in the time that the DANOVIC is promistly validate the size its of Eugenderic, made to obtain a position due tout a undaversable report ment to the Eugenbauer Government concerning him by Asbandader POPGVIC.

T-9, of known reliability, advised that Anhancedor POTOVIC.

Is a very vain and arregant person the demands constant attention from his parvants and reliew termore. Forevie, the fought in the spanish is volution and later for the Partis may has assumed a parrows and victorious attitude.

T-3 further advised that there is obviously trouble between the Arbanesder and his wife, VJ (1), which is probably the results of Arbanesder 1000010 indulging in extremultal activities which have ease to the attention of VJ.3.4. The remy alloted to the Arbanesder and his wife from the Majorday Government includes a our which is to be used to raintain the Arbanesder's residence. (no the present strained relations between the Arbanesder's and his wife, not the will appropriate the accountry funds to operate the residence and as a consequence the Arbanesder's induced and as a consequence the Arbanesder's induced in Arbanesder's without feel and supplies.

Tal, of mean reliability, advised that Ambanander FOICVIC critical the United States in its attitude towards the American repress. In this regard source advised that Ambanander FOICVIC and other Engestav Communist of icidals treat people under their supervision were than assures has over observed anyone in the United States being treated.

T-4 further role to that TOINISA URBURIC, Cook at the inhancedor's residence and vice of the exectator, MITHAUGEAC. O, has not received her salery for the jest four months. Source believes that this is due to the fact that the inhancedor has become more of the fact that TUCC. A has in her received on Receive Beads, the personnies of which has influrit too the inhancedor.

7-3, previously mintiened, advised that ANTON JUSO, Chambrour and informer for Ankassador FOFCVIC, recently went through the diffects of the Union as while they were away and discovered (500. We in covings along with the longry Brade previously mintioned. Julio readily admitted to distillate that he was aware of the fact that Unions and his wife had in their pecasesism lessny leads and \$500.00 and that he pecasesism of sale was contrary to the formulat contribute.

Tells defined that the independents afte and har plater, MDA for the common between the two planetes in the risery of others. The Arlandade's which has expressed hereaft as being allered to cidldren, a recent excepts being that has VI MIT, which of VIMIL to be in in the initial states working out various learns with the international Bank recently stayed at the inheastness rectames, for a fee days but after VIMA had continually made disparaging remains conserving the children, it was recessary for Pro. VIM Bit to find other appearantations.

Tel eduted that submounder 100000 continues to uphold the principles of Communism and datests outhing which rescribes democracy. In this regard source cited the following incidents:

In the evening of test where IT, IDE, MULLES BROWNERS, family president of the Settemal Bank of Secondaria gave a speech at the emission, all of the emission personnel wave required to attend this meeting to Linten to the speech to be given by BrakerIDA. The topic discussed by him was the occasion condition of Secondaria. In DESCRIPTIAN speech, he indicated that the Ingestor Government has possibly gone back to the Capitalistic form of Secondary acconstruction in error to try and streighten out the arrieus assemble plight in which Secondaria found itself today. Burling the course of this speech, it was very notice—able that Ambarander POPOVIC was very upon and angry at the trend of the speech as it did not follow the Commutat line. The Ambarander at one point interrupted Bubbarander acked why the Covernment had found it necessary to return the Capitalistic form of Ambarande Secondary, Bubbarander acked why the Covernment had found it necessary to return the a Capitalistic form of Ambarande Secondary, Bubbarander acked whenevery.

Tel also related the Labrasador POLOTIC, from all indications, is just as much in rayor of the Commist regime in Assais as he was before the TITO-GIV-IN split. POLOTIC has been a Commist for rany years and was indoctrinated and trained in Assaisa Commist for rany years and was indoctrinated and trained in Assaisa Commist for rany years and was indoctrinated and trained in Assaisa Schools. Source was of the opinion that the United States may live to regret the present bosonic and Military ald which they are presently extending to Appellation. He based his opinion on the general attitude of Asbassador POPOVIG which source maintains is an attitude of complete hats and distrust for the United States and orgalete faith in the Commiste Highes in Issais. Source continued that the words of the former Commolor Er. SLAVEOVIGES are still vivid in that on maneurae occasions he had made the statement that the Reposlavians know that they would to arrow their own purposes and in instant would do absolutely nothing for the United States. Source advised the Arriver Indiantion as to what Ambassador POPOVIG really fools and also indicated by itis remarks concerning the recent Japanese Peace Tranty. Askansador

Kinga.

PERMIC at that time related that the United States would live to regret its treatment of the Commission in the Last Japanese bases Commission. The Inhamman influence it that all is in favor of liescen and not in favor of the United States. PERMIC was formerly a General in the Engentee furthern army during world har it. In the event of another may PELVIC, according to I-1, would unloaded by a leader of the Engestee Army. Union no conditions could I-1 picture PERMIC leading a section of the Engestee Army to Right also by side with the Union States but being a confirmed Commission would unionabledly flight on the olde of the Commission. In continued that there are undoubtedly many numbers of TITO's party who feel the same way consequently the United States cannot count on the support if and when langua attacks the Free world.

Deurse continued that ingoalavia's present economic plight will continue to exist as long as the Communist regime is till in power. This form of Government leads to so much tente and institiolarly that no country under much a regime could over become prosperous. Citing an commple of this, source mivined that Fr. 5-LVKO ICEE, former Communics at the ingenier industry, is presently the assistant to the limitator for international Trade. Source savired that ICEL was given such a position due to his high rank in the Communict Eurty; however, his businessed training do not qualify him for such a position. This is just one of themselds of complex as to her Communic Farty members are given positions in the Government for which they are totally unqualified.

Concerning Asbassador FO. G. TO's attitude towards the recent Japaness Dense Treaty, T-5, of them reliability, savised that then last contacting TO: GVIC he expressed the opinion that the treaty was a "towarble treaty and mother excepts of theoriest inperialism." POPOVIC also stated that the United States only conted a footbold in Asia and no one is happy about the treaty. The Japanese had suffered enough through their six years of compation by the Esseisans. Source continued that FOPOVIC is definitely the least favorable toward policies of the United States of any of the Rigoslav of Tiskels known to E-5.

Tes advised that a direct question was put to Ambassalor FORWED come aming the electricy of the brank lutwern TEO and electric. In answer to the question, 10000.6 advised that the break with STALL was recalled and first and it under no circumstances would imposlavin again align herself with Russia. FORGVIC indicates to source that the allegiance with boscow was excelly a temporary thing which from the outset was an allegiance which imposlavia have could not endure.

T-5 adviced that his wife Visit is a very difficult person to get along with and pessessed on extremely high opinion of herself. The is very impressed with her position as the wire of the highest Antonouder and continually revers to herself as being intellectually above these in her curroundings.

Tel, previously mentioned, advised that recently a Tuyotlav national by the name of LONAPAV.CO arrived in the United States about the Eucoclev, ship the S.S. Hrvatska without possessing an American evaluation. D.JA. CO.TIG, first segretary of the Tugoslav inhassy, was aware of the fact that DAVICO did not rounded an Apprican wise and Editic Provides the 1911 of the Break here of the control of of the fact that DAVICO did not voicese an Aperican visa and KDETIC knew this this this the Havateka was still on the high seas before it ever approached the shore of the United States. After the Havateka arrived in the United States, DAVICO was turned over to the Emigration and Naturalization Service authorities and was placed on Ellis island. Tel continued that when Ambasander POFOVIC learned of this he immediately gave instruction to the inherany personnel not to give a visa to any American officials wishing to enter Nageslavia. The statement was made by POPOVIC and was made in a lit of engagneric assument of the order would be reacheded. Tel related that and source contemplated the order would be resoluted. Tel related that MIGG BUCK's Commedor at the Ingoslav whiteapy the is naturally in charge of all Nugoslav when consulted with the Ambassador concerning this matter the following day and that following this conference the Ambassador's orders wore resuinded.

T-1 advised that the above example was typical of the attitude of Arbassacior POFCVIC concerning the rules and regulations of any delegated authority. POFOVIC frequently criticizes the rules and regulations and come by the United states Government and on the other hand considers every uttermed he might personally make to be the law.

T-6, of snown reliability, advised that Loui DAVICO, mentioned above, was not a desirable individual to have in the United States as he had been formerly linked with the Atomic Spy case in Cunada. The further adviced that the Andarsader and o her officials at the Angeslaw inhersy had indicated to the Department of State that they were not aware that DAVIGO did not possess an Aportean visa before departing from the shores of Engonlawic.

T-7, of known reliability, subsequently advised that Lack DAV.CO was subsequently released from allis Is and and was permitted to enter Canada by the authority of the Canadian officials.

T-1 salvised that Ambassador FOFOV.C and his life, VISIA, had been in frequent costact with a clothing store run by the Good Will industries and that semeone in the organization has put acide all the good second hand clothing received which in turn is pleased up by the Abancy for further shipment to Turoslavia. Source d.d not move the identity of the Ambassador's contact in the Good Will inductries other than it top a woman described as having blond bair.

r=7, of known reliability, salvised that the Ambanondor; his wife, VJala, and his sister-in-law, Bala PCFOVIC, departed for New Orleans driven by the Ambanoador's chauffour, ANTON JUNO, on October 13, 1951. This party

left for Ku Orleans as the Anhaesador's sister-in-law, TALA, was to bound the Arvatsus for trivel to Regardayin. ARA was returning to Repealed despite the fact that she was known to be seriously ill with what source believed to be a case of tuberculosis.

The same source savised that this party on route to hav Grienns and to visit the Tennessee Valley Authority. This visit to the Tennessee Valley Authority was arranged through the cooperation of the Department of State.

T-8, of known reliability, advised that the Engeslavian Cabassy also made arrangements direct with the authorities of TVA in order to have this party rate an inspection on their may to New Orleans.

Arrangements were unde whereby Ambassador FOFOVIC was to contact Mr. JCHR/FEALL, Office of the General Hanner, Temperses Valley Authority, Knowville, Temperse, at the Hotel Andrew Fackmen at 11 A. M. on Sunday, October 14, 1951.

T-S advised that submession POPCVIG did contact JCHN Figures at Encavillo and remained with him from 11 A. N. to 4 F. M. on October 14, 1951. Following his conference with Er. Figure, the Ambassador and his party were advised as to the root scenic route to Chattanooga and if they see desired a Mr. EMALEMALE, an official of TVA, would meet them at the Hotel Patton, Chattanooga, on Monday menning, October 15, 1951. Lowree scontinued that Ambassador POPCVIG did not keep his appointment with Mr. HAUE and nothing further was board of the party.

Source continued that the Ambassador and his wife, VJ. A., while in Knowille, appeared to be pleasingly impressed with the Tannesses Valley Authority project, but that the mister-da-law, HAPA, was more concerned with talking the Communist Party line concerning conditions in the United States rather than showing an interest in the Tannessee Valley anthority project. MAPA continually brought up the subject of the treatment of the American negroes in the United States and was very desired confident through and observing an American locate location. The Ambassador and his party were solvined that an alternate route to Chattanooga would enable then to visit an American Indian reservation and it was cources contention that the party in all probability toos this al-transfer muto to see the Indian reservation with would account for their not appearing at Chattan aga to most Mr. Addal RAEK on October 15, 1951.

1-S mirited that this was not the first time that the Mugoslavs have show an interest in TVA and tistback in April, 19.0, two Mugoslav ingineers named Milabsonication? and Journal Court of visited TVA for approximately ten days. Source continued that this visit was also with the sanction of the Department of State and arrangements were rane by them.

DFB-14304

1070 - 1 5-963

T-5, previously mentioned, mayind that following this trip to To-morpho Vallo Authority, enlangue PO UVIC had inside ed to nownee that he was very approximative of the fact that the State Department had mide it possible for him and his party to them TVA and furthermore he lound it very impromises.

THE proviously continues, advised in a during the contra of August a discretch r, incusandor 19 SVIC was closely following the events leading up to the arrest of the former butschi leader AMPLIANA CUROVIC. In this connection, Ambanauder FOROVIC was maintaining frequent centred with LAFCAVAICANIC, Depositar Consul at San Francisco, California.

Source advised that it was interesting to note that Ambanader FOROVIC made it a point not to notify the Legarizant of Said prior to the time the field was hamied to the United States anchesity on the lost Court demanding the arrest of ALTUROVIC. Ambanador POROVIC made it known to IVALCATE that the note concerning this matter would be maded over to the State Department immediately following the arrest of ALTUROVIC and IVANOVIC was optomictic as to the outcome of the trial of ALTUROVIC and UNITED WILL OUT of States Coverneed to Tugoslaviana.

On August 29, 1951, source salvined AMTHAOVIC was placed under surest and the Ambaneador had made it masse to source that information concerning t is matter would be hold up until the following day, August 30, 1951, below matifying the State Department.

T-I and T-3 advised that the Ambassador and his wire, VJ RA. are presently ungoed in making proparations for the lapocker national holiday colemation to be held at the Ambassador's residence on November 29, 1951. The Ambassay expects this to be a rule colemation and a number of influential absorbance efficients along with TIRC elements will be invited.
